

Korean-Japanese Friendship Conference on Neuroendovascular Treatment

Date : Friday, December 02, 2011

Venue : Seoul St. Mary's Hospital, The Catholic University of Korea

08:30 ~ 08:34 **Congratulatory Address** Yong-Sam Shin, President of KSIN

08:34 ~ 08:37 **Congratulatory Address** Waro Taki, JSNET

08:37 ~ 08:40 **Congratulatory Address** Jin-Yang Joo, President of KSCVS

08:40 ~ 10:30 **Session I. Pediatrics & cerebral arterial stenosis (110min)**

Chairman: Young-Joon Kim, Waro Taki

Moyamoya disease & pediatrics neurointervention – Role of endovascular treatment (45min)

O-Ki Kwon (Seoul National University) 15min.

Masaki Komiyama (Osaka City General Hospital) 15min.

Discussion 15min.

Intracranial atherosclerotic stenosis: Role of stent (65min)

Min-Woo Baik (The Catholic University of Korea) 15min.

Byung-Moon Kim (Yonsei University) 15min.

Masayuki Ezura (Sendai Medical Center) 15min.

Discussion 20min.

10:30~10:45 **Coffee Break**

10:45 ~ 12:20 **Session II. AVF & Vertebral Dissection (95min)**

Chairman: Min-Woo Baik, Yasushi Ito

Endovascular treatment of dural arteriovenous fistula – Current state of art (40min)

Pyoung Jeon (Seongyungwan University) 10min.

Hiro Kiyosue (Oita University) 10min.

Naoya Kuwayama (University of Toyama) 10min.

Discussion 10min.

Endovascular treatment of vertebral dissection (55min)

Ichiro Nakahara (Kokura Memorial Hospital) 10min.

Do-Hoon Kwon (University of Ulsan) 10min.

Joon-Seok Koh (Kyunghee University) 10min.

Kenji Sugiu (Okayama University) 10min.

Discussion 15min.

12:20 ~ 13:20 **Lunch**

13:20 ~ 15:15 **Session III. Aneurysm I & carotid artery stenting (115min)**

Chairman: Do-Hoon Kwon, Shigeru Miyachi

Giant or large aneurysms with mass effect – Does endovascular treatment work ? (50min)

Hyun-Seung Kang (Seoul National University) 10min.
Masaru Hirohata (Kurume University hospital) 10min.
Yasushi Ito (Niigata University) 10min.
Discussion 20min.

Carotid stenting – technical options, devices, protection. (65min)

Seong-Rim Kim (The Catholic University of Korea) 15min.
Waro Taki(Mie University) 15 min.
Tomoaki Terada (Wakayama Rosai Hospital) 15min.
Discussion 20min.

15:15 ~ 15:30 **Coffee Break**

15:30 ~ 17:05 **Session IV. Aneurysm II (95min)**

Chairman: Sung-Ki Ahn, Naoya Kuwayama

Blood blister aneurysms & difficult aneurysms (45min)

Yong-Sam Shin (The Catholic University of Korea) 10min.
Noriaki Matsubara (Nagoya University) 10min.
Shoichiro Ishihara (Saitama Medical University) 10min.
Discussion 15min.

Neuroendovascular coiling for unruptured intracranial aneurysms. How I do it? (50min)

Young-Joon Kim (Dankook University) 10min.
Tae-Hong Lee (Pusan National University) 10min.
Shigeru Miyachi (Nagoya University) 10min.
Discussion 20min.

17:05~18:05 **Session V. My case presentation (60min)**

Chairman: Moon-Hee Han, Masayuki Ezura

Bum-Tae Kim (Soonchunhyang University) (presentation + discussion: 12min)
Young Il Chun (Konkuk University) (presentation + discussion: 12min)
Masafumi Hiramatsu (Okayama University) (presentation + discussion: 12min)
Hiroaki Neki (Saitama Medical University) (presentation + discussion: 12min)
Tomoaki Terada (Wakayama Rosai Hospital) (presentation + discussion: 12min)

18:05 ~ 18:10 **Closing remark** Yong-Sam Shin, President of KSIN

18:10 ~ 18:30 **Transfer**

18:30 ~ **Banquet (Tobaki Restaurant)**
